CARE Conversation Cards

How to Play:

- Shuffle the CARE cards and place them face down.
- Take turns drawing a card from one of the four categories: **Changes, Applications, Readiness, and Ethics**.
- Read your question aloud and share your thoughts and experiences as a parent.
- Listen as other parents contribute their perspectives and wisdom.
- Continue drawing cards to explore new dimensions of parenting in the age of AI.

These cards are designed to foster supportive conversations among parents navigating the digital landscape together.

Enjoy connecting and growing as a community of caring parents!
