CARE Conversation Cards

How to Play:

- Shuffle the deck of CARE cards.
- Draw a card from any of the four categories: **Changes**, **Applications**, **Readiness**, and **Ethics**.
- Read the question out loud and share your thoughts with the group.
- Listen and learn as others contribute their perspectives.
- Continue the conversation by drawing more cards and discussing.

Whether you're a teacher or a student, use these cards to spark engaging dialogues about AI in education.

Enjoy exploring the exciting world of AI in education together!
